● DESCRIPTION

Elegant, functional 40 L indoor waste bin with a single-hole cover, made entirely of steel painted with thermosetting paints.

The bag is fitted on a practical inner bag holder and emptied from the top (no inner bucket).

Adhesive "general waste" pictogram included, easy to apply and remove for proper cleaning of the product.

Metal base with floor-protecting edge.

All parts of the product have completely smooth inner and outer surfaces (sharp and pointed parts were eliminated at the design and production stage, for safe use of the product).
