

PUC-60

Indoor cardboard waste bins

● REWASTE

Waste Solutions

Origin ITALY Customs tariff code 48239085 CE marking not required

● DESCRIPTION

60 L waste bin made of 7 mm thick recycled cardboard, digitally printed directly on the material with "mixed waste" graphics.

Top cover in 100% recycled black plastic.

Kit of 4 coloured stickers (blue, yellow, red, green) included for separate collection.

Black painted metal base with floor-protecting feet.

Supplied flat-packed with instructions, in packs of 4 pieces.

The product can be customised.

For information, availability and customisation quotes, please contact our sales office.

All parts of the product have rounded edges and completely smooth inner and outer surfaces (sharp and pointed parts were eliminated at the design and production stage, for safe use of the product).
