DESCRIPTION

Quadruple covered waste bin on base from the Modula line in anthracite grey painted steel, with top cover and front door with key lock, designed to be practical and functional.

It comes with four roomy, sturdy 73 L plastic inner bins with front removal, for efficient waste disposal.

The kit also includes 5 adhesive pictograms to identify the type of waste at a glance and make recycling easier.

The weighted base ensures stability and allows free-standing placement without wall fixing, with the option of fixing it to the ground.
