HOSPITALITY - Innovazione e stile per la tavola e l'hôtellerie ITA

Dal 1963 ci distinguiamo per esperienza, qualità e attenzione al dettaglio. Con la linea HOSPITALITY portiamo questa tradizione nel mondo della tavola e dell'ospitalità, offrendo soluzioni pensate per ristoranti, hotel e realtà del settore Ho.Re.Ca.

Il nostro catalogo spazia da tovagliette e accessori per la ristorazione fino a prodotti dedicati all'hôtellerie, tutti caratterizzati da design contemporaneo, materiali selezionati e massima funzionalità. Ogni articolo è progettato per unire estetica e praticità, contribuendo a rendere l'esperienza dell'ospite più piacevole e memorabile.

Grazie a un approccio orientato all'innovazione e alla ricerca continua, HOSPITALITY propone soluzioni che seguono le tendenze del mercato e valorizzano gli spazi, offrendo al tempo stesso possibilità di personalizzazione per rispondere alle esigenze di ogni cliente.

Con HOSPITALITY vogliamo essere più di un fornitore: un partner affidabile e creativo, capace di trasformare la tavola e gli ambienti in un luogo di stile, comfort e accoglienza.

HOSPITALITY - Innovation and style for tableware and hospitality ENG

Since 1963 we have stood out for our experience, quality, and attention to detail. With the HOSPITALITY line, we bring this tradition to the world of tableware and hospitality, offering solutions designed for restaurants, hotels, and the Ho.Re.Ca. sector.

Our collection ranges from placemats and dining accessories to products dedicated to hospitality, all characterized by contemporary design, selected materials, and maximum functionality. Each item is designed to combine aesthetics and practicality, enhancing the guest experience and making it more enjoyable and memorable.

Thanks to a constant focus on innovation and research, HOSPITALITY offers solutions that follow market trends and enhance spaces, while also providing customization options to meet every client's needs.

With HOSPITALITY, we aim to be more than just a supplier: a reliable and creative partner, able to transform tables and spaces into places of style, comfort, and true hospitality.

HOSPITALITY - La ligne pour l'art de la table et l'hôtellerie FR

Depuis 1963, nous nous distinguons par notre expérience, notre qualité et notre souci du détail. Avec la ligne HOSPITALITY, nous apportons cette tradition dans l'univers de l'art de la table, en proposant des solutions conçues pour les restaurants, les hôtels et le secteur Ho.Re.Ca.

Notre collection va des sets de table et accessoires de restauration aux produits dédiés à l'hôtellerie, tous caractérisés par un design contemporain, des matériaux sélectionnés et une fonctionnalité optimale. Chaque article est pensé pour allier esthétique et praticité, enrichissant ainsi l'expérience des clients et la rendant plus agréable et mémorable.

Grâce à une approche tournée vers l'innovation et la recherche continue, HOSPITALITY propose des solutions qui suivent les tendances du marché et valorisent les espaces, tout en offrant des possibilités de personnalisation adaptées aux besoins de chaque client.

Avec HOSPITALITY, nous souhaitons être bien plus qu'un simple fournisseur : un partenaire fiable et créatif, capable de transformer la table et les environnements en lieux de style, de confort et d'accueil authentique.

HOSPITALITY
Innovazione e stile per la tavola e l'hôtellerie

Dal 1963 trasformiamo materiali e design in soluzioni funzionali e raffinate per ristoranti e hotel. La linea HOSPITALITY propone tovagliette, accessori e prodotti per l'hôtellerie capaci di unire estetica contemporanea, praticità e dettagli curati.

Ogni articolo nasce per sorprendere: ottimizza gli spazi, segue le tendenze e offre possibilità di personalizzazione, rendendo ogni esperienza a tavola unica e memorabile.

Con HOSPITALITY, la tavola diventa design, comfort e accoglienza in ogni gesto.

HOSPITALITY
Innovation and style for tableware and hospitality

Since 1963, we have been transforming materials and design into functional, refined solutions for restaurants and hotels. The HOSPITALITY line features placemats, accessories, and hotel products that combine contemporary aesthetics, practicality, and attention to detail.

Each piece is crafted to impress: it optimizes spaces, reflects trends, and allows customization, making every dining experience unique and memorable.

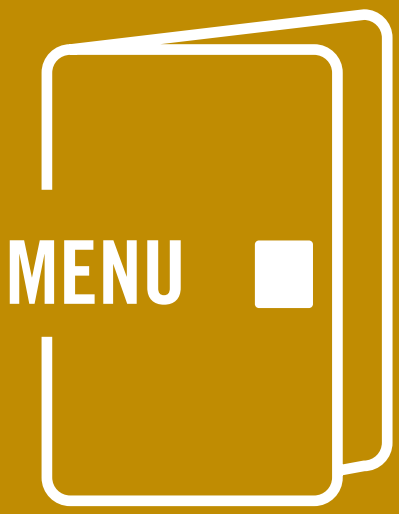

With HOSPITALITY, the table embodies design, comfort, and hospitality in every touch.

HOSPITALITY
Innovation et style pour l'art de la table et l'hôtellerie

Depuis 1963, nous transformons matériaux et design en solutions fonctionnelles et élégantes pour restaurants et hôtels. La ligne HOSPITALITY propose sets de table, accessoires et produits hôteliers alliant esthétique contemporaine, praticité et détails soignés.

Chaque produit est pensé pour surprendre : optimiser les espaces, suivre les tendances et offrir des options de personnalisation, rendant chaque expérience à table unique et mémorable.

Avec HOSPITALITY, la table devient design, confort et accueil dans chaque geste.

MENU

Soluzioni per la ristorazione “Made in Stil Casa”

TOV

Tovagliette in similpelle dal design raffinato e dalla massima versatilità, ideali per valorizzare ogni stile di allestimento tavola.

Realizzate in materiale eco-compatibile effetto pelle, resistente all'usura, ai liquidi e al tempo, senza rischio di screpolature o deterioramento. Le cuciture curate e le rifiniture estetiche conferiscono un tocco distintivo, trasformando la tovaglietta in un dettaglio di stile professionale. Disponibili in diverse colorazioni e forme, organizzate in quattro famiglie di prodotto - GEOMETRIA, EQUILIBRIO, CURVE e ORME - si adattano con armonia a qualsiasi concept di mise en place. Proposte in versione morbida o rigida, facilmente igienizzabili, rappresentano una soluzione che unisce eleganza, funzionalità, sicurezza e sostenibilità.

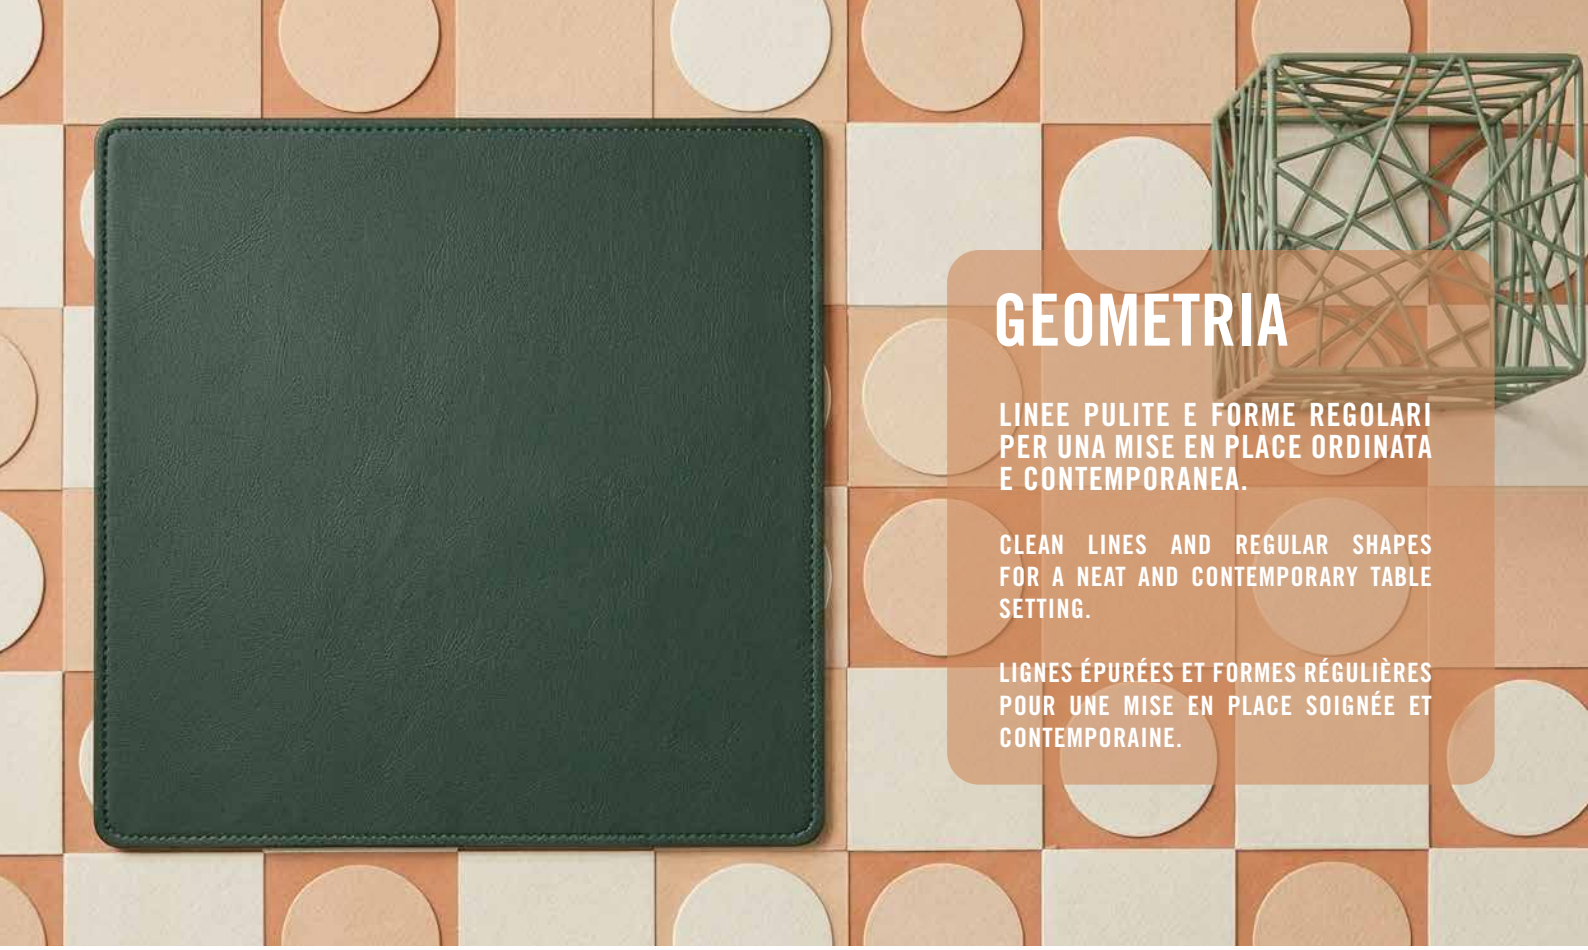

Faux leather placemats with a refined design and maximum versatility, ideal for enhancing any table setting style.

Crafted from eco-friendly leather-effect material, highly durable and resistant to wear and liquids, with no risk of cracking or deterioration. Carefully stitched and aesthetically finished, they add a distinctive touch, turning the placemat into a professional-style detail. Available in various colors and shapes, organized into four product families - GEOMETRIA, EQUILIBRIO, CURVE, and ORME- they harmoniously adapt to any table setting concept. Offered in soft or rigid versions, easily sanitizable, they provide a solution that combines elegance, functionality, safety, and sustainability.

Sets de table en similicuir au design raffiné et à la polyvalence maximale, parfaits pour valoriser tout type de mise en place.

Fabriqués en matériau écologique effet cuir, ils sont résistants à l'usure, aux liquides et au temps, sans risque de fissures ou de détérioration. Les coutures soignées et les finitions esthétiques apportent une touche distinctive, transformant le set de table en un détail de style professionnel. Disponibles en plusieurs couleurs et formes, organisés en quatre familles de produits - GEOMETRIA, EQUILIBRIO, CURVE et ORME - ils s'adaptent harmonieusement à tout concept de mise en place. Proposés en version souple ou rigide, facilement désinfectables, ils représentent une solution alliant élégance, fonctionnalité, sécurité et durabilité.

ACCESSORI

Un tocco che fa la differenza.

Una linea di accessori tavola pensata per chi ama curare ogni dettaglio.
Sottobicchieri, portaresto e portaposate realizzati in similpelle, capaci di trasformare la tavola in un'esperienza di stile, ordine e accoglienza. Linee pulite, colori raffinati e una texture piacevole al tatto rendono ogni elemento funzionale ma anche decorativo. Ideale per ristoranti, ma anche bistrot e ambienti hospitality, i nostri prodotti sono la scelta giusta per chi vuole distinguersi con eleganza e semplicità.

A touch that makes the difference.

A line of table accessories designed for those who love to care for every detail. Coasters, bill holders and cutlery holders made of faux leather, able to transform the table into an experience of style, order and hospitality. Clean lines, refined colors and a pleasant texture to the touch make each item both functional and decorative. Ideal for restaurants as well as bistros and hospitality environments, our products are the right choice for those who want to stand out with elegance and simplicity.

Une touche qui fait la différence.

Une ligne d'accessoires de table pensée pour ceux qui aiment soigner chaque détail. Dessous de verre, porte-additions et porte-couverts réalisés en similicuir, capables de transformer la table en une expérience de style, d'ordre et d'accueil. Des lignes épurées, des couleurs raffinées et une texture agréable au toucher rendent chaque élément à la fois fonctionnel et décoratif. Idéals pour les restaurants, mais aussi pour les bistrots et les espaces hospitality, nos produits sont le choix parfait pour se distinguer avec élégance et simplicité.

METAL

Metal - Accessori per tavole contemporanee

La linea unisce eleganza e carattere alla tavola, con accessori in alluminio verniciato e completati da un inserto in similpelle fissato con bottone, che conferisce matericità, calore e un tocco di stile. Questi accessori diventano veri protagonisti della tavola, armonizzando stile e praticità in mise en place moderne e curate.

Metal - Contemporary Table Accessories

The line combines elegance and character on the table, with painted aluminum table accessories enhanced by a faux leather insert secured by a button, providing texture, warmth, and a touch of style. These accessories become true highlights of the table, harmonizing style and practicality in modern, carefully curated table settings.

Metal - Accessoires pour tables contemporaines

La ligne allie élégance et caractère à la table, avec des accessoires de table en aluminium peint, complétés par un insert en similicuir fixé par un bouton, qui apporte texture, chaleur et une touche de style. Ces accessoires deviennent de véritables protagonistes de la table, harmonisant style et praticité dans des tables modernes et soigneusement dressées.

VASS

Geometrie contemporanee per il servizio

La linea di vassoi da servizio unisce design essenziale e materiali performanti: realizzati in alluminio verniciato, i vassoi garantiscono leggerezza, solidità e resistenza all'uso quotidiano; l'interno in similpelle cucita valorizza il prodotto con un dettaglio raffinato, assicurando al tempo stesso una superficie antiscivolo e facile da pulire, piacevole al tatto. La collezione è proposta nelle forme rettangolare ed esagonale, due geometrie pensate per interpretare stili diversi e rispondere a molteplici esigenze di servizio, mantenendo coerenza estetica e cura del dettaglio.

Contemporary geometries for serving

The service tray collection combines essential design with high-performance materials.
Made of painted aluminum, the trays ensure lightness, strength, and resistance to daily use. The stitched faux leather interior enhances the product with a refined detail while providing a non-slip, easy-to-clean surface that is pleasant to the touch.
The collection is available in rectangular and hexagonal shapes, two geometries designed to interpret different styles and meet multiple serving needs, while maintaining aesthetic coherence and attention to detail.

Géométries contemporaines pour le service

La collection de plateaux de service associe un design essentiel à des matériaux performants. Réalisés en aluminium peint, les plateaux garantissent légèreté, solidité et résistance à l'usage quotidien. L'intérieur en similicuir cousu met en valeur le produit par un détail raffiné, tout en offrant une surface antidérapante, facile à nettoyer et agréable au toucher.
La collection est proposée dans les formes rectangulaire et hexagonale, deux géométries conçues pour interpréter des styles différents et répondre à de multiples exigences de service, tout en conservant une cohérence esthétique et le soin du détail.

Struttura portante e mobilità
Carrello con struttura composta da due spalle laterali in ferro spessore 5 mm, verniciate nero micaceo, progettate per garantire elevata solidità, stabilità e lunga durata anche in caso di utilizzo intensivo. La movimentazione è assicurata da quattro ruote girevoli ad alta scorrevolezza, di cui due con freno, per offrire massima manovrabilità e un posizionamento stabile e sicuro durante l'uso.

Supporting structure and mobility
Trolley featuring two 5 mm thick iron side panels, finished in micaceous black, designed to ensure outstanding strength, stability and long-lasting durability, even under intensive use. Movement is provided by four high-smoothness swivel castors, two of which are equipped with brakes, ensuring maximum manoeuvrability and safe, stable positioning during use.

Structure portante et mobilité
Chariot composé de deux flancs latéraux en fer de 5 mm d'épaisseur, finition noir micacé, conçus pour garantir une solidité, une stabilité et une durabilité élevées, même en cas d'utilisation intensive. Le déplacement est assuré par quatre roulettes pivotantes à haute fluidité, dont deux avec frein, pour offrir une maniabilité optimale et un positionnement stable et sécurisé pendant l'utilisation.

Ripiani e finiture
I ripiani, realizzati in ferro verniciato spessore 2 mm, assicurano resistenza strutturale e affidabilità nel tempo. La superficie interna è rivestita con copertina in similpelle con cucitura a vista, un dettaglio che unisce protezione, eleganza e cura artigianale. Il carrello è disponibile in quattro finiture, ciascuna abbinata a rivestimento in similpelle tono su tono.

Shelves and finishes
The shelves are made of 2 mm thick painted iron, ensuring structural strength and long-term reliability. The inner surface is lined with eco-leather featuring visible stitching, a refined detail that combines protection, elegance and craftsmanship. Available in four finishes, each matched with tone-on-tone eco-leather lining.

Étagères et finitions
Les étagères sont réalisées en fer peint de 2 mm d'épaisseur, garantissant résistance structurelle et fiabilité dans le temps. La surface intérieure est revêtue d'une couverture en similicuir avec couture apparente, un détail raffiné qui associe protection, élégance et qualité artisanale. Disponible en quatre finitions, chacune assortie d'un revêtement en similicuir ton sur ton.

GEMINI®

Gemini® - Linee Solide, Presenza Contemporanea

La linea Gemini, da tavolo o da terra, unisce design minimal e contemporaneo a funzionalità e solidità. La struttura in due elementi di alluminio piegati a C, uniti dal fondo, garantisce pulizia formale e geometrie precise. Sobrio e bilanciato, l'alluminio leggero e resistente assicura durabilità e facilità di manutenzione. Gemini è pensata per chi cerca rigore tecnico ed eleganza attraverso la semplicità.

Gemini® - Solid Lines, Contemporary Presence

The Gemini line, available as tabletop or floor models, combines minimal, contemporary design with functionality and solidity. The structure, made of two C-shaped aluminum elements joined at the base, ensures clean lines and precise geometries. Sleek and balanced, the lightweight and durable aluminum guarantees long-lasting use and easy maintenance. Gemini is designed for those who seek technical rigor and elegance through simplicity.

Gemini® - Lignes Solides, Présence Contemporaine

La ligne Gemini, disponible en version sur table ou sur pied, allie design minimal et contemporain à fonctionnalité et solidité. La structure, composée de deux éléments en aluminium pliés en C et reliés à la base, garantit des lignes nettes et des géométries précises. Sobre et équilibré, l'aluminium léger et résistant assure durabilité et facilité d'entretien. Gemini est pensée pour ceux qui recherchent rigueur technique et élégance par la simplicité.

MATERIA®

Materia in evidenza, servizio superiore.

Una collezione pensata per trasformare l'esposizione in esperienza visiva. Vassoi in acciao inox AISI 304 sp. 1 mm verniciato con interno in HPL effetto materico esaltano volumi, colori e texture del prodotto, portando carattere al banco pasticceria e al catering.
La linea si arricchisce con una tovaglietta in HPL dalla forma organica, ideale per composizioni scenografiche, e con due vassoi coordinati dedicati al servizio. Un insieme progettato per distinguere, valorizzare e dare identità alla presentazione professionale.

Material in focus, superior service.

A collection designed to transform display into a visual experience.
Trays in 1 mm thick AISI 304 stainless steel, painted with an HPL interior featuring a textured effect, enhance volumes, colours and textures of the product, bringing distinctive character to the pastry counter and catering.
The line is enriched by an HPL placemat with an organic shape, ideal for scenic compositions, and by two coordinated trays dedicated to service. A range created to stand out, elevate presentation, and give identity to professional display.

Matière en évidence, service supérieur.

Une collection conçue pour transformer l'exposition en expérience visuelle.
Des plateaux en acier inoxydable AISI 304 d'une épaisseur de 1 mm, peints avec un intérieur en HPL effet matière valorisent volumes, couleurs et textures des produits apportant du caractère au comptoir de la pâtisserie et au traiteur.
La ligne s'enrichit d'un set de table en HPL à la forme organique, idéal pour des compositions scénographiques, ainsi que de deux plateaux coordonnés dédiés au service. Un ensemble créé pour se distinguer, sublimer la présentation et donner une identité à l'exposition professionnelle.

HOTEL

Stile che accoglie, dettagli che restano.

Una gamma completa per vestire la camera d'hotel con coerenza e carattere. La linea in similpelle cucita - sottomano, cartellette e cartelli porta - dialoga con gli interni coordinati dei vassoi modulari in alluminio, creando continuità materica e visiva. La collezione si completa con elementi essenziali come reggivaligia, cestini, sistemi di armadiatura aperta e segnaletica, per definire ambienti misurati, contemporanei e perfettamente integrati.

Style that welcomes, details that last.

A complete range designed to dress the hotel room with coherence and character. The stitched eco-leather line - desk pads, document folders and door signs - is perfectly matched with the coordinated interiors of the modular aluminium trays, creating material and visual continuity.
The collection is completed with essential elements such as luggage racks, waste bins, open wardrobe systems and signage, shaping spaces that are measured, contemporary and seamlessly integrated.

Un style qui accueille, des détails qui demeurent.

Une gamme complète conçue pour habiller la chambre d'hôtel avec cohérence et caractère. La ligne en similicuir cousu - sous-mains, porte-documents et panneaux de porte - s'accorde parfaitement avec les intérieurs coordonnés des plateaux modulaires en aluminium, créant une continuité visuelle et matérielle.
La collection est complétée par des éléments essentiels tels que porte-bagages, corbeilles, systèmes d'armoires ouvertes et signalétique, afin de définir des espaces mesurés, contemporains et parfaitement intégrés.

Linea di vassoi modulari e configurabili pensata per organizzare con ordine la scrivania della camera d'hotel, permettono di comporre con precisione lo spazio dedicato a welcome kit e accoglienza. Realizzati in alluminio verniciato, sono completati da copertina interna in similpelle cucita, abbinata alle altre finiture della collezione.

A line of modular, configurable trays designed to keep the hotel room desk neatly organized, allowing precise arrangement of the space dedicated to welcome kits and guest amenities. Made of painted aluminium, they feature an internal stitched eco-leather lining, perfectly matched with the other finishes in the collection.

Une gamme de plateaux modulaires et configurables conçue pour organiser avec ordre le bureau de la chambre d'hôtel, permettant d'agencer avec précision l'espace dédié aux welcome kits et aux services d'accueil. Réalisés en aluminium peint, ils sont complétés par une doublure intérieure en similicuir cousu, assortie aux autres finitions de la collection.

Copertina interna in similpelle cucita: rivestimento di pregio che protegge la superficie del vassoio e aggiunge continuità materica con la collezione. Cuciture tono su tono evidenziano cura artigianale e dettaglio estetico. Disponibile in 5 varianti colori.

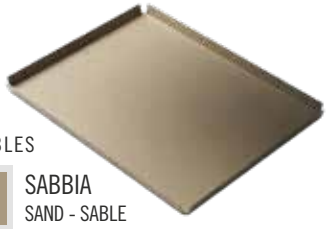

Internal Stitched Eco-Leather Cover
Premium lining that protects the tray surface and ensures material continuity with the collection. Tone-on-tone stitching highlights craftsmanship and refined detail Available in 5 color options.

Couverture intérieure en similicuir cousu
Revêtement de qualité qui protège la surface du plateau et assure une continuité matière avec la collection. Les coutures ton sur ton mettent en valeur le savoir-faire et le détail soigné. Disponible en 5 variantes de couleur.

La copertina del VH1 (vassoio più grande) è doppia faccia e presenta perforazioni studiate per incastrare con precisione i vassoi sottostanti tramite i piedini bugnati, garantendo stabilità e allineamento perfetto nella composizione modulare.

The VH1 cover (the larger tray) is double-sided and features precisely positioned holes to securely fit the trays below through the raised feet, ensuring perfect alignment and stability in the modular composition.

La couverture du VH1 (le plateau le plus grand) est double face et présente des perforations positionnées avec précision pour emboîter solidement les plateaux inférieurs via les pieds saillants, garantissant un alignement et une stabilité parfaits dans la composition modulaire.

BIVIO®

“LO SPAZIO PRENDE DIREZIONE.”
“SPACE FINDS ITS DIRECTION.”
« L’ESPACE TROUVE SA DIRECTION. »

Bivio è l’armadiatura aperta che ridefinisce il concetto di funzionalità: una struttura intelligente composta da una parte fissa con base e mensole, solida e organizzata, e da un braccio rotante appendiabiti che si muove con naturalezza, adattandosi alle esigenze dello spazio.
Un equilibrio dinamico tra stabilità e movimento, dove design essenziale e versatilità si incontrano.

Bivio is the open wardrobe that redefines functionality: an intelligent structure composed of a fixed unit with base and shelves - solid and well-organized - and a rotating hanging rail that moves naturally, adapting to the needs of the space.
A dynamic balance between stability and movement, where essential design and versatility meet.

Bivio est une penderie ouverte qui redéfinit la fonctionnalité : une structure intelligente composée d’un module fixe avec base et étagères, solide et organisée, et d’un bras pivotant porte-vêtements qui se déplace avec fluidité, s’adaptant aux exigences de l’espace.
Un équilibre dynamique entre stabilité et mouvement, où design essentiel et polyvalence se rencontrent.

SCEGLI LE VARIANTI COLORI / CHOOSE THE COLOR VARIANTS / CHOISISSEZ LES VARIANTES DE COULEUR

Armadiatura aperta dal design funzionale, con mensole in metallo verniciato sp. 2 mm e montanti in tubolare Ø 60 mm per la massima solidità.
Base in plastica nervata, contropesata per garantire stabilità.
Braccio rotante in tubolare Ø 50 mm verniciato con ruota girevole dotata di freno per una facile movimentazione.
Completa la struttura un gancio in metallo sp. 2 mm, configurabile tramite fissaggio alle asolature superiori, per un allestimento personalizzabile.

Open cabinet with a functional design, featuring 2 mm thick painted metal shelves and Ø 60 mm tubular uprights for maximum strength.
Ribbed, counterweighted plastic base for enhanced stability. Ø 50 mm painted tubular rotating arm with swivel castor and brake for easy movement.
Completed with a 2 mm thick metal hook, adjustable through the upper slotted holes for customizable configurations.

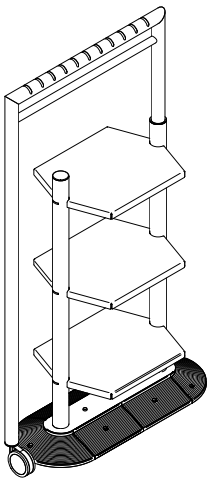

Armoire ouverte au design fonctionnel, composée de tablettes en métal peint épaisseur 2 mm et de montants en tube Ø 60 mm garantissant une solidité maximale.
Base en plastique nervurée et contrepoids pour une stabilité optimale. Bras rotatif en tube Ø 50 mm peint avec roulette pivotante avec frein pour un déplacement facile.
Complétée par un crochet en métal épaisseur 2 mm, configurable grâce aux fentes supérieures pour une installation personnalisable.

TRIVIO®

“RUOTA E DISEGNA LO SPAZIO.”
“ROTATE AND SHAPE THE SPACE.”
« TOURNEZ ET DESSINEZ L’ESPACE. »

Appendiabiti girevole a tre bracci su base contropesata che trasforma l’ordine in movimento. Compatto e rigoroso da chiuso, si apre con un gesto fluido: i tre bracci indipendenti ruotano attorno all’asse centrale espandendosi radialmente e ridefinendo lo spazio. La base zavorrata ne sottolinea la presenza scultorea e l’equilibrio formale.

A three-arm revolving coat stand with a counterweighted base that transforms order into movement. Compact and rigorous when closed, it opens with a fluid gesture: the three independent arms rotate around the central axis, expanding radially and redefining the space. The weighted base enhances its sculptural presence and formal balance.

Un portemanteau pivotant à trois bras sur base contrebalancée qui transforme l’ordre en mouvement.
Compact et rigoureux lorsqu’il est fermé, il s’ouvre d’un geste fluide : les trois bras indépendants pivotent autour de l’axe central, se déployant radialement et redéfinissant l’espace. La base lestée souligne sa présence sculpturale et son équilibre formel.

SCEGLI LE VARIANTI COLORI / CHOOSE THE COLOR VARIANTS / CHOISISSEZ LES VARIANTES DE COULEUR

Montanti in tubolare Ø60 mm verniciato e bracci con snodo interno Ø50 mm garantiscono solidità e fluidità di movimento. La base in plastica nervata, contropesata, integra ruote con freno per una gestione dinamica dello spazio. Ogni braccio è dotato di gancio in metallo sp. 2 mm, regolabile grazie alle asolature superiori. Una mensola con ganci di raccordo ai tre montanti completa il sistema, ampliandone funzionalità e coerenza formale.

Uprights in Ø60 mm painted tubular steel and arms with an internal Ø50 mm pivot ensure strength and smooth movement. The ribbed plastic base, counterweighted, integrates lockable castors for dynamic space management. Each arm features a 2 mm thick metal hook, adjustable thanks to the upper slots. A shelf with connecting hooks to the three uprights completes the system, enhancing both functionality and formal coherence.

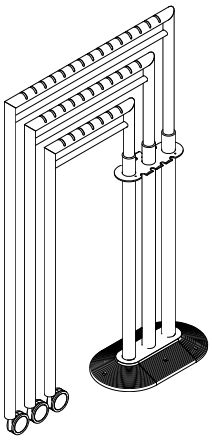

Montants en tube Ø60 mm peint et bras avec pivot interne Ø50 mm garantissent solidité et fluidité de mouvement. La base en plastique nervuré, contrebalancée, intègre des roulettes avec frein pour une gestion dynamique de l’espace.
Chaque bras est équipé d’un crochet en métal ép. 2 mm, réglable grâce aux lumières supérieures. Une tablette avec crochets de liaison aux trois montants complète le système, renforçant sa fonctionnalité et sa cohérence formelle.

SEGNALETICA

Segnaletica in alluminio verniciato, con fissaggio a parete tramite distanziali metallici che consentono un leggero distacco dalla superficie. Questo sistema valorizza la leggibilità delle scritte e delle icone, creando un effetto tridimensionale elegante e uniforme.

Signage in painted aluminum, mounted on the wall using metal spacers that create a slight gap from the surface. This system enhances the readability of letters and icons, producing a clean and elegant three-dimensional effect.

Signalétique en aluminium peint, fixée au mur à l'aide d'entretoises métalliques créant un léger décalage par rapport à la surface. Ce système améliore la lisibilité des lettres et des icônes, offrant un effet tridimensionnel élégant et uniforme.

Il pittogramma è realizzato in alluminio spesso 2 mm verniciato, mentre il fissaggio a parete avviene tramite distanziali in metallo verniciato nero, che mantengono un distacco di 2 cm dalla parete, garantendo un effetto tridimensionale chiaro e definito.

The pictogram is made of 2 mm thick painted aluminum, mounted on the wall using black painted metal spacers that maintain a 2 cm gap from the surface, ensuring a clear and defined three-dimensional effect.

Le pictogramme est réalisé en aluminium peint de 2 mm d'épaisseur, fixé au mur à l'aide d'entretoises métalliques peintes en noir, maintenant un écart de 2 cm par rapport à la surface, garantissant un effet tridimensionnel clair et net.
